ABOUT PAC RIM

Since 1984, the Pacific Rim Conference, hosted by Center on Disability Studies, has built an inclusive, global network of advocates & allies, researchers & academics, policy makers & service providers, across all disciplines. This year's theme INNOVATE aims to harness the innovation and knowledge building that are occurring globally in order to shape an informed collective, empower individuals, and invigorate those who serve.

Exhibitor

fee \$1,000

Spotlight your company organization and its products and services in the exhibitor zone. The virtual exhibitor zone is alongside poster sessions designed for attendees to find new solution providers.

The Exhibitor section is open for conference attendees to visit for two additional months after the conference end date.

- Virtual Exhibitor page includes:
- Company logo
- Company description
- Promotional material upload
- Website link
- Can invite attendees to your own virtual meeting
