

40th Annual Pacific Rim International Conference on Disability and Diversity

Call for Sponsors

Aloha,

On behalf of the University of Hawai'i at Mānoa Center on Disability Studies (CDS), we are honored to invite you to become a sponsor of the 40th Annual Pacific Rim International Conference on Disability and Diversity, to be presented in-person, April 15-16, 2025, in beautiful downtown Honolulu, Hawai'i.

The Pacific Rim Conference is the premier international gathering for people committed to improving the lives of individuals with disabilities. Each year, Pac Rim draws thousands from Hawai'i and around the world to learn, grow, advocate, and establish valuable connections around a variety of disability issues.

The Center on Disability Studies, the host of the conference, has a long-standing commitment to promoting diverse abilities across the lifespan through interdisciplinary training, research, and service. The Pac Rim conference is among the most important and impactful of our efforts to support and advance full, meaningful lives for those with disabilities.

With the 2025 conference theme, "By Us and For Us: Legacy and Future of our Movement" your support will enable your organization to:

- Connect to influential Hawai'i, national, and international leaders, service providers, advocates, and individuals within the disability community.
- Elevate and cement your brand as community-focused, diverse, and inclusive.
- Reach targeted audiences for your services, products, and messaging.
- Access multi-platform opportunities to share your logo, links, and information.

Support from you further helps the Center on Disability Studies to:

- Provide scholarships for students and people with disabilities who may not otherwise be able to attend the conference.
- Contribute to the accessibility of the conference.
- Support a broad array of conference topic areas to ensure as many diverse communities are served as possible.
