Unbreakable Threads: Communities of Resilience and Continuity

Aloha,

On behalf of the University of Hawai'i at Mānoa Center on Disability Studies (CDS), we are honored to invite you to become a sponsor of the 41st Annual Pacific Rim International Conference on Disability, to be presented in-person, May 27–30, 2026, at the University of Hawai'i at Mānoa Campus in beautiful Honolulu, Hawai'i.

The Pacific Rim Conference is the premier international gathering for people committed to improving the lives of individuals with disabilities. Each year, Pac Rim draws thousands from Hawai'i and around the world to learn, grow, advocate, and establish valuable connections around a variety of disability issues.

The Center on Disability Studies, the host of the conference, has a long-standing commitment to promoting diverse abilities across the lifespan through interdisciplinary training, research, and service. The Pac Rim conference is among the most important and impactful of our efforts to support and advance full, meaningful lives for those with disabilities.

Your sponsorship will enable your organization to:

- Connect to influential Hawai'i, national, and international leaders, service providers, advocates, and individuals within the disability community.
- Elevate and cement your brand as community-focused, diverse, and inclusive.
- Reach targeted audiences for your services, products, and messaging.
- Access multi-platform opportunities to share your logo, links, and information.

Support from you further helps the Center on Disability Studies to:

- Provide scholarships for students and people with disabilities who may not otherwise be able to attend the conference.
